Hello Evangelina,

It is so nice to connect with you. I did try and give you a call today in the office but I did not get a response. I am happy to chat with you so we can work on a plan for the remaining 65 households. Let's schedule a time to talk so we can iron out the details.

I would say the first thing that would be helpful is a list of who the remaining households are with name and apartment number. I will be happy to share the list of residents who have already received funding as well with you.

When we talk, I can explain our process and guidelines for receiving funding.

Please let me know when might be a good time to connect.

We are very happy to help in this process and I do hope our relationship will grow stronger once Creekside comes back to full operation.

Looking forward to hearing from you.

Angelica – Good afternoon.

On behalf of the ownership of Creekside Apartments, I want to thank you for the unending assistance that you and all of the staff and volunteers at MI Lewis have provided to the residents of our community. Obviously, this is a very difficult time and situation for all involved.

As you know, following the Building Standards Commission meeting on December 21st, we notified all of our residents of the need to relocate by December 31st. Attached is the notice that we handed out to our residents on December 22nd, and then again today.

As you can see, we are attempting to direct the residents to MI Lewis for assistance, in addition to offering to help them at other apartment complexes affiliated with the ownership of Creekside. As of today, we still have about 65-residents that have not yet relocated.

I am reaching out to you in an attempt to see how you and I can work together for the benefit of the remaining 65-residents that still remain at Creekside as of today.

We want to be respectful of all of the residents and would like to attempt to create as smooth of a transition as possible.

I look forward to your response and advice, and please feel free to call me so that we can discuss our assistance in their relocation.

Thanks!

Sincerely,
Evangelian Lucio
